

# Q U I N T E S S E N T I A L L Y

## **Magazine Material Specification:**

Page Trim Size: 335mm(h) x 240mm(w) Portrait

Page Bleed Size: 341mm(h) x 246mm(w) Portrait

Page Type Size: 315mm(h) x 220mm(w) Portrait

For DPS advertisements, please supply single pages made to the above sizes.

Please allow 5mm on each page for gutter loss allowance.

**CTP Process:** Supply material in one of the below formats only:

- PDF file in high resolution (with fonts and images embedded)
- IDD CS5 file (or IDD file) packaged with all images in tiff or jpeg format.
- Illustrator CS5 file (all fonts as outlines)
- Photoshop file (all fonts rasterized)

Image resolutions must not be less than 300 DPI

Image files to be saved as CMYK or Greyscale

Hires colour proof should be provided to ensure colour quality and that correct ripping of file has occurred.

Printers' film separations will not be accepted.

**Printing:** Offset Litho. PUR bound. Printed onto matt art paper.

## **File submission method:**

Files can be submitted on CD-ROM or USB stick with a colour proof or by WeTransfer emailed to [nick@fms.co.uk](mailto:nick@fms.co.uk).
